Maximum Temperature Display	✓
Minimum Temperature Display	✓
Manual Defrost	✓
Environmentally Friendly Insulation	✓
Eco Friendly Refrigerant	✓
Ammonia Free	✓

Robustly constructed from stainless steel this freezer from the **Labcold** Advanced Range is designed to provide close temperature control for temperature sensitive items.

In addition, remote alarm contacts can be factory fitted as well as access ports.

There is no internal 'step' and the interior is curved making it easy to clean and stock. Fitted with 2 heavy duty refrigerated shelves and the robust door is lockable and for increased security and convenience, self closing. For total operator control, this cabinet is manual defrost.

Insulated with Envirofoam, which is derived from plant rather than petrochemical oils, the refrigerant is also ammonia, HCFC and CFC free.
